*****IMPORTANT FINANCIAL INFORMATION REGARDING LOVE OFFERINGS*****

Please pass this information on to the Treasurer, bookkeeper, or other appropriate person.

Since the beginning of 2007, the IRS has become increasingly concerned about the way offerings are handled, with regard to tax deductions.

Dickey Ministries is a non integral, associated ministry of Ponderosa Baptist Church in Payson, Arizona. As such, we are not in a position to issue tax deductible receipts for love offerings, unless given directly to Ponderosa. THEREFORE, for the convenience of your church and the people who contribute to our ministry at the concert, it is recommended that checks to be made payable to your church, and that the church to make one check to Dickey Ministries. That way, donors are eligible for tax deductions the same as for their regular gifts to your church.

We have no personal preference whether we receive cash or checks, but it might help for **your bookkeeping** if checks are used. Some churches simply count the cash received in a love offering and record it as received by the church, then pass it on to us and record it as a cash payment. That is completely acceptable to us.

PLEASE NOTE: Since we are on the road so much of the time, it is always preferred that we receive the love offering on the day of the concert, if possible. Thank you for your consideration in this matter.

Blessings,

Phil & Joy Dickey
