Introducing . . .

**PHIL & JOY
DICKEY
MINISTRIES**
OF
PAYSON, ARIZONA

Phil and Joy Dickey have two grown children and seven grandchildren. Phil has been singing almost since he learned to talk, growing up in a family where all were musically inclined. At the age of twelve, he began to sing in the church choir. In High school and college, Phil enjoyed singing in the concert choirs, in the barbershop style quartet, and began to do solo work at church.

In 1971, while serving in the Navy, Phil met Joy and they were married. Phil continued to regularly share inspirational music wherever he went, singing in such places as a Coffee House in Vallejo, California, aboard ship, and

in churches and other gatherings in California and overseas. After Phil was released from active duty, he and Joy returned to Arizona where they are members of Ponderosa Baptist Church in Payson.

Joy loves music too; She directed several children's musicals at their previous home church in Phoenix and sang in the choir and ensemble. Joy is an indispensable part of the ministry team; She operates the sound system for concerts, helps with the office work, and provides that ever needed moral support (all very important jobs). Also, since this ministry is more than just music, Phil and Joy each have opportunities to minister in a number of ways.

This particular ministry was formed through a series of events beginning with a serious auto accident in 1989, and culminating in Phil losing his job three years later. The next few months were a time of concentrated prayer and Bible study leading to the conclusion that God was calling them to a deeper life of faith and into some type of ministry. It then became apparent that this ministry would include music AND other forms of encouragement.

Eventually, late in 1994, the Lord led them to sell their house and move into the 5th wheel trailer which became their full time home, office, and ministry center. This move provided much greater flexibility in scheduling and has allowed extended concert tours in multiple states. In early 1995, Phil recorded and began distributing his first cassette album. Since then, there have been several more recording projects—now, of course, all on CD.

“We LOVE to minister in any way we can, and we seriously try to accept every invitation. We do not require any specific minimum fee. Many churches cannot obligate to pay a fixed expense amount, and our Lord has always provided for us. We gratefully accept any love offering as from the Lord, since everything we have comes from, and belongs to Him.”

Our Doctrinal Statement

We believe that the whole Bible, consisting of the 66 books of the Old and New Testaments, is verbally inspired by God (II Timothy 3:16-17, II Pet. 1:21), is inerrant in the original writings, and has been providentially preserved to our present time.

We believe in the Genesis account of creation (Gen. chapters 1 & 2) and utterly reject the theory of evolution as a possible source of beginnings.

We believe there is one God, eternally existent in three persons: The Father, the Son, and the Holy Spirit (Gen. 1:1, Matt. 3:16,17 & 28:19, John 1:1-14)

We believe in the deity and the humanity of Christ, His Holy Spirit conception, His virgin birth, His shed blood for atonement, His bodily resurrection, ascension, and future personal return to the earth (Col. 1:16-17, John 1:14, Luke 1:26-37, IJohn 2:2, Rev. 1:18, Acts 1:9-11).

We believe in the indwelling by the Holy Spirit of all who are saved by grace, through faith in Jesus Christ (John 14:17, Ephesians 2:8)

We believe in the future bodily resurrection of all people; The saved to eternal life with God, and those who reject Christ to eternal punishment (John 5:29, Acts 24:15, I Thess. 4:13-18, Rev. 20:11-15).

Our Mission Statement

We are a **full time faith ministry** supported by the Lord in any way HE chooses to provide.

ALL ministry services, including concerts, recorded albums, and ministry literature are provided on a freewill offering basis

Our mission is to encourage the saints and to support Bible believing churches and pastors in a variety of ways including, but not limited to:

1. Presentation of gospel messages in music and the spoken word.
2. Assisting with church-related work as may be in line with our various gifts and abilities.
3. Availability for fellowship and other forms of encouragement as may be appropriate.

In ALL of this, it is our desire to glorify God through sharing the GOOD NEWS of Jesus Christ, and building up the church and its basic unit, the Christian family.
